Our minimum is £50.00 (ex. VAT), 6 medium thickness lengths (or equivalent) and 20 sheets of board to fill a box. If minimum requirements are not met, damage claims will not be accepted.

Minimum values do not apply to goods collected from our Trade Counter or for some smaller items which can be easily posted or sent by carrier at our discretion. These include special size stretcher bars and most of our sundry items. Please contact us with details of your order if you are in any doubt.

Changes to Orders Placed

Each order is sent to our warehouse as soon as possible. Therefore, any changes must be made within one hour after which a new order will be raised.

Back orders for out of stock items (account customers only) will be sent as soon as they are available provided the minimum order criteria is met.
